Company Information:

At Park Pet & Play, our goal is to deliver turn-key Park and playground surfacing solutions with top-of-the-line playground equipment and the best service in the industry. With an experienced staff of efficient technicians, we can manage, design, build, and install a variety of high-quality surfaces such as rubber tiles, poured in place rubber, synthetic turf, and more.

From site amenity repurposing to rubber helipads, Park Pet & Play is your go-to rubber surfacing and synthetic turf contractor. From understanding compliance with Americans with Disabilities Act Accessibility guidelines to helping you raise funding for your project, we'll be with you every step of the way in building the perfect playground or athletic space. - **Worldwide.**

Park Pet & Play has been in business for 6 years. We have 3 in-house crews of 5 men and have 4 crews specifically trained using our techniques and product specifications that service the West coast, Midwest, and Southern states to increase production and decrease overhead.

From 2010-2017 Park Pet & Play installed approximately 721,000 sq ft of poured in place rubber.

We have 2 in house CPSI's and work with several independent CPSI's when we need them on an on call basis.

THANK YOU, Kristen Chisler – Director of Operations
